

WANT TO EXPERIENCE KYOTO'S AMAZING TRADITIONAL ARTS & CRAFTS?

As one of the world's historical cities, Kyoto has plenty of traditional arts and crafts workshops. They are the result of many years spent polishing skills and techniques. Many foreign tourists take part in traditional craft workshops, favorably received as a chance to personally experience the Japanese sense of beauty. One temple offers the chance to experience Zen and the tea ceremony, which have caught the interest of famous entrepreneurs and creators from all over the globe. As it is even possible to see how the recently increasingly popular Matcha tea is made, you can see with your own eyes how that beautiful green is created.

You are sure to be amazed by Kyoto's culture experience workshops. Why not rent a kimono and take a leisurely stroll down the streets of Kyoto? The majority of participants come from abroad, so these activities are designed to be enjoyed by foreign visitors.
