Shichimi (seven flavor chili pepper) is a seasoning unique to Japan made with the main ingredient of cayenne pepper and six other spices. In Japanese cuisine, it is sprinkled on udon or soba noodles, but also goes well with other dishes such as pastas and soups, changing the taste to one with a sharp bite.

Custom blend of shichimi
(10g) ¥540. *¥648 in a can.

Look forward to how it tastes!
